Supporting Local Provinciality

We have a passion for Somerset and all things local. Our ethos to showcase local producers where ever possible is at the heart of our menu; from the various cheeses we've sourced, to the ice cream we offer for dessert, and of course our Keepers Urban Honey sourced and produced locally by Black Bee Honey.

Our local support doesn't stop there, our For Keeps rewards scheme is our way of saying thank you!

If you live within Somerset register for our reward scheme to earn points every time you drink or dine at Keepers Bridgwater.

For a limited time we've pre-loaded every card with £5 to spend on your next visit.

A man with a beard, wearing a plaid shirt and a dark cap, is sitting on a stool and playing an acoustic guitar. He is in a recording studio, with a microphone on a stand in front of him. The background features a window with a grid pattern and some blurred lights. The floor is made of dark wood, and there are some cables and a pedal on the floor.
